> Greetings:

>

> I have become somewhat lax in my stewardship of the club's  
> finances. As a result, I have allowed a serious problem to develop.  
> Currently, we have seven (7) members who are so in arrears as to dues, I  
> will be recommending to the Board of Directors that these seven members be  
> suspended for failure to pay dues. Attached to this missive is a list of  
> outstanding dues at the time of this letter.

>

> The Board of Directors established a guideline several years  
> ago that if a member becomes in arrears for 90 days, his membership should  
> be suspended. On the list, any account showing three (3) or more months  
> due are the accounts I will discuss with the Board. As you can see, the  
> current outstanding amount due is \$1,533.50.

>

> We have about \$60.00 in the club account, \$128.00 in the gun  
> account and approximately \$5,000.00 in investments. We currently spend  
> \$70.00-\$100.00 per week for meals. We pay quarterly dues of \$75.00 and  
> \$231.00 to District and National, respectively.

>

> Please pay your dues!
